STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 05/08/2025 while exercising my duties as a law enforcement
 officer in the Central District of CA

Pursuant to 16USC 551: While on patrol on the Angeles National Forest / San Gabriel Mountains National Monument, I observed a vehicle parked in a turn out on the Angeles Crest Highway near mile marker 38. I observed Porsche with a Montana license plate, numerous pieces of camera equipment, a drone, and a car equipped for filming. I contacted the party, and asked what was going on. An adult male later identified as Brent L. Baer stated they were conducting a photo shoot / production for Motor Trend Magazine. I requested identification from all persons present. Brent L. Baer confirmed he had not obtained a permit for Commercial Filming, and or paid required fees to the Forest Service to conduct the project. Brent L. Baer stated he believed a permit was not required since his crew was less than 8 persons. Commercial filming is a work activity that requires a permit from the Forest Service. The definitions replied upon for this violation are contained in Forest Service Handbook 2709.11 Special Uses Handbook Chapter 40 Special Use Administration. Permitting must be in compliance with The Act of May 26, 2000 (16 U.S.C. 460l-6d) which requires the Secretary of Agriculture to require a permit and to establish a reasonable fee for commercial filming activities or similar projects on Federal land administered by the Secretary. The act also requires the protection of resources and permit will not be issued if filming creates the likelihood of any of the following: resource damage, an unreasonable disruption of the public's use and enjoyment of the site or the activity poses health or safety risks to the public. The instructions were explained to the defendant indicating they must appear as a collateral amount is not permitted for this violation, a Mandatory Appearance was issued in compliance with Central District of California General Order 107 at 255 E. Temple St. Los Angeles Ca. on the date and time indicated on the face of the Violation Notice. The defendant signed the Officer's copy which is retained on file. I verified with defendant that their current mailing address where they will receive mail is as set forth on the Violation Notice. Motor Trend Magazine has the offender committed or was charged with committing the same or similar offense on a prior occasion on the Angeles National Forest, and was resolved by the U.S. Attorney's Office in the Central District of California.

The foregoing statement is based upon:
